WHAT YOU LOVE AT UNI
One of the most exciting aspects of going to college is the opportunity to explore new subjects. Now is the chance to discover your passions and grow as an individual and future professional. Once you know what you’re passionate about, you’ll be well on your way to success – both at UNI and beyond.

YOUR INTERESTS
Choosing a major can be a journey from identifying the types of things that excite you to exploring the types of jobs or careers that appeal to you. The good news is that UNI has more than 160 majors, minors, areas of emphasis and pre-professional programs and plenty of assistance for choosing one. Not exactly sure what you want to major in yet? That’s OK, because we offer dozens of ways to help you.

ACADEMIC EXCELLENCE
UNI’s small classes are taught by professors, not teaching assistants. Teaching is their No. 1 priority, and they’re dedicated to helping you reach your educational, professional and personal goals.

Our more than 600 faculty members are experts in their fields – they are your greatest academic resource. You’ll work closely together on selecting classes, conducting research and finding internship opportunities so you can graduate on time and with a strong academic background.
Discover the Right Majors for Your Success

Even at a young age, you dream about what you want to be when you grow up. At the University of Northern Iowa, you have the opportunity to discover more than 310 majors, areas of emphasis and pre-professional programs. You’ll get to experience hands-on learning your very first year, openly discuss thoughts and ideas, and form strong bonds with faculty and your classmates. We like to think dreams really do come true at UNI. Learn more about majors online at majors.uni.edu.

Each year, UNI works with more than 1,000 transfer students who are making their transition from a community college or four-year institution. Our transfer admissions counselors and advisers will guide you through the process so you’ll get started on the right path.

TRANSFER ADMISSION REQUIREMENTS

Students transferring to UNI from another college or university need to meet or exceed the following combination of grade point and total graded semester hours to be admissible:

<table>
<thead>
<tr>
<th>Semester credit hours transferred</th>
<th>Grade point needed</th>
</tr>
</thead>
<tbody>
<tr>
<td>1–23</td>
<td>2.50*</td>
</tr>
<tr>
<td>24–41</td>
<td>2.50</td>
</tr>
<tr>
<td>42–59</td>
<td>2.25</td>
</tr>
<tr>
<td>60 or more</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*Applicants transferring fewer than 24 semester hours also need to meet admission requirements for students entering UNI directly from high school. Refer to admissions.uni.edu/freshmen to view the requirements.

Students who have completed Level II of a foreign language (with a C- or better in the final semester) will have satisfied UNI’s foreign language requirement for graduation. This can be completed in high school or at a previous institution.

Transfer applicants will generally not be admitted if they do not meet the minimum combination of the GPA and total semester hours outlined above or if they are on academic suspension at the last college attended. Transfer applicants under disciplinary suspension will not be considered for admission until information concerning the reason for the suspension has been received from the assigning college.

ACADEMIC RESOURCES

At UNI, student success is our priority, and we are committed to helping you accomplish your academic goals. UNI offers these online tools that are very helpful to transfer students:

Transfer Plans of Study

Make the most of your time at an Iowa community college by following a transfer plan of study. Choose your UNI major, choose your community college, and see the list of suggested courses at admissions.uni.edu/transfer-plans.

Transfer Plan-It

Transfer Plan-It is UNI’s online tool that allows you to select courses you’ve taken at another college in Iowa and immediately see which classes transfer to UNI. Please note that these lists do not include all colleges outside the state of Iowa. If you do not see your college or the course listed, contact transfer@uni.edu to see how it transfers.

Equivalency Sheets

Find the equivalency sheet for your Iowa college to check course transferability.

Transfer from an Out-of-State College

If you are taking courses or receiving an associate degree from outside the state of Iowa, please contact transfer@uni.edu to see how your courses transfer.

Reverse Credit Transfer

Reverse Credit Transfer is a partnership between Iowa’s public universities and Iowa’s community colleges to facilitate the transfer of university credits back to one of Iowa’s community colleges for the purpose of completing a degree, diploma or certificate. Transfer students applying to UNI need to have earned 30 or more credit hours from the community college they most recently attended prior to enrolling at UNI.
COLLEGE OF BUSINESS ADMINISTRATION
ADMISSION REQUIREMENTS

Students seeking a major in Accounting, Business Teaching, Economics/Business Analysis, Finance, Real Estate, Management, Management Information Systems or Marketing must be admitted to the College of Business Administration and meet course prerequisites before taking upper division College of Business Administration courses.

Students are eligible for admission to the CBA upon completion of the following requirements:

1. 30 cumulative semester hours of college credit.
2. C- or better in the following CBA Foundation Courses:
   - ECON 1011 Statistics for Business Analytics, or
   - ECON 1021 Decision Analytics, and
   - ECON 1041 Principles of Macroeconomics
3. C- or better in an approved English composition course which would include the equivalent of one of the following:
   - ENGLISH 1005 College Writing and Research
   - ENGLISH 2015 Expository Writing
   - ENGLISH 2120 Critical Writing About Literature, or CLEP credit in ENGLISH 1005, English Composition with Essay
   (PLEASE NOTE: ENGLISH 1002, College Writing Basics DOES NOT satisfy the writing requirement for admission to the College of Business Administration.)
4. The first math course required of all business majors is STAT 1772, which requires a 50% or higher on the ALEKS assessment test. STAT 1772 is a prerequisite to ECON 1011 Business Statistics and ECON 1021 Intro to Decision Techniques—two courses required for all business majors. If you are transferring STAT 1772 to UNI, you are eligible to take ECON 1011 or ECON 1021 providing your ALEKS score is 55% or higher.
5. Total or UNI* cumulative GPA of at least 2.50 on all university level courses.
   *UNI cumulative GPA must be based on 12 or more credit hours.
6. Declaration of Curriculum form completed at orientation and filed with the College of Business Administration Student Advising Office (CBB 5).

TEACHER EDUCATION PROGRAM REQUIREMENTS

Teaching majors must complete the Teacher Education Program for educator preparedness. Further instructions can be found at teachered.uni.edu. Direct questions to the Teacher Education office at 319-273-2265. Students should complete as many of the following steps as possible prior to transfer orientation. All steps must be complete before enrolling in Level II courses.

1. Declare a teaching major at orientation via the Declaration of Curriculum form.
2. Earn at least 24 semester hours of credit.
3. Earn at least a 2.50 cumulative GPA.
4. Earn credit for TEACHING 2017 or equivalent.
5. Complete Orientation to Teacher Education and Follow-up Online Quiz at teachered.uni.edu/orientation-teacher-education.
6. File an acceptable application for admission to Teacher Education (unacceptable application will be returned to the student for revisions and corrections).
7. Complete Liberal Arts Core Category IA (Reading and Writing) or the equivalent with a grade of C- (1.67) or better.
8. Complete Liberal Arts Core Category IB (Speaking and Listening) or the equivalent with a grade of C- (1.67) or better.
9. Complete Liberal Arts Core Category IC (Quantitative Techniques and Understanding) or the equivalent with a grade of C- (1.67) or better.
10. Complete the Praxis Core Academic Skills for Educators (Praxis Core).
11. Demonstrate acceptable dispositions (absence of Notification of Concern).
12. Complete SING Background Check - The UNI Teacher Education Program requires MDSI students to complete this background check once before their first field experience at UNI. Early Childhood Majors must complete a SING Background Check every two years. Students can monitor their admission and progress throughout the program using the UNI Teacher Education Data (UNITED) system.

There are endless opportunities to explore the world at UNI. The Study Abroad Center offers students the opportunity to study in more than 30 countries across the globe. Interested in exploring just not overseas? The National Student Exchange program offers that! Pay UNI tuition while studying in the U.S. at one of the 165-+ colleges and universities that participate in the program.
LIVING ON CAMPUS

Choosing to live on campus affords students the full college experience. With seven traditional residence halls, two halls that offer apartment-style set-up and a new suite-style residence hall, students will find the accommodations and lifestyle they’re looking for as they transition through college—all while placing them in the center of university life.

Our residence halls give students easy access to the events and activities happening around campus, surround them with friends, offer learning beyond the classroom and of course make the walk to class that much shorter. Plus, they’re never far from getting something great to eat at one of our award-winning dining centers.

Traditional double rooms include furniture, utilities, cable, internet and laundry.

- All traditional residence halls include an All-Access Meal Plan
- Transfer students have several upperclass on-campus living options
- All offer opportunities for nearby parking

Research conducted by UNI Career Services has found that students who have the 3+2+2 ratio across the areas of academics (3.0 GPA), professional experiences (2 internships) and leadership (2 leadership roles) have acquired the skills needed to be career ready.

CAREER SERVICES
UNI offers valuable career and internship resources to prepare you for life after college. Employers know that students from UNI are hard workers who have excelled in rigorous classes and have had professional experiences. That’s why employers are motivated to come to campus for our four career fairs and interview students on the spot. Career Services prepares students for these experiences by:
- Helping them craft a first-rate resume and cover letter
- Finding the perfect internship
- Guiding them on their professional journey

With outstanding academic and professional resources, you can truly thrive at UNI.

The true measure of any college or university is the people it produces. Year after year, UNI produces well-prepared, in-demand graduates who use their UNI education and experiences to build successful lives and careers.

95% OF UNI GRADUATES FOUND SUCCESS WITHIN 6 MONTHS OF GRADUATING
79% ARE EMPLOYED
15% ARE CONTINUING THEIR EDUCATION
1% OTHER/NOT SEEKING

90% OF STUDENTS GRADUATE WITH EXPERIENCES DIRECTLY RELATED TO THEIR FUTURE CAREER

WHEN UNI STUDENTS GRADUATE, THEY OWE LESS MONEY THAN STUDENTS WHO GRADUATE FROM MOST OTHER FOUR-YEAR INSTITUTIONS IN IOWA.
