WHAT YOU LOVE AT UNI

One of the most exciting aspects of going to college is the opportunity to explore new subjects. Now is the chance to discover your passions and grow as an individual and future professional. Once you know what you’re passionate about, you’ll be well on your way to success – both at UNI and beyond.

YOUR INTERESTS

Choosing a major can be a journey from identifying the types of things that excite you to exploring the types of jobs or careers that appeal to you. The good news is that UNI has more than 160 majors, minors, areas of emphasis and pre-professional programs and plenty of assistance for choosing one. Not exactly sure what you want to major in yet? That’s OK, because we offer dozens of ways to help you.

ACADEMIC EXCELLENCE

UNI’s small classes are taught by professors, not teaching assistants. Teaching is their No. 1 priority, and they’re dedicated to helping you reach your educational, professional and personal goals.

Our more than 600 faculty members are experts in their fields - they are your greatest academic resource. You’ll work closely together on selecting classes, conducting research (even as a first-year student) and finding internship opportunities so you can graduate on time and with a strong academic background.
ACADEMIC RESOURCES

At UNI, student success is our goal, and we are committed to helping you accomplish your academic goals. UNI offers three online tools that are very helpful to transfer students:

**Transfer Plans of Study**
Make the most of your time at an Iowa community college by following a transfer plan of study. Choose your UNI major, choose your community college, and see the list of suggested courses at admissions.uni.edu/transfer-plans.

**Transfer Plan-It**
Transfer Plan-It is UNI’s online tool that allows you to select courses you’ve taken at another college in Iowa and immediately see which classes transfer to UNI. The program uses a simple three-step process.

**Step 1:** A pull-down menu allows you to select the courses already completed or expected to be completed.

**Step 2:** You select the UNI major being considered.

**Step 3:** Transfer Plan-It produces a summary of how your courses satisfy UNI requirements and what courses will be required at UNI to graduate with a bachelor’s degree. While not an official degree audit, Transfer Plan-It pulls all coursework details together in one site for you.

Visit plan-it.uni.edu for more information.

**Equivalency Sheets**
Find the equivalency sheet for your Iowa college to check course transferability. Visit admissions.uni.edu/transfer for more information.

**Transferring from another Iowa Public University**
If you have completed the General Education Program within the College of Liberal Arts & Sciences at the University of Iowa or at Iowa State University, you will have completed our Liberal Arts Core, with the exception of Non-Western Cultures and Capstone Experience.

**Reverse Credit Transfer**
Reverse Credit Transfer is a partnership between Iowa’s public universities and Iowa’s community colleges to facilitate the transfer of university credits back to one of Iowa’s community colleges for the purpose of completing a degree, diploma or certificate. Transfer students applying to UNI need to have earned 30 or more credit hours from the Iowa community college they most recently attended prior to enrolling at UNI.

**Admissions Partnership Program (APP)**
admissions.uni.edu/app | 319-273-3406
Students interested in the Admissions Partnership Program should sign up as early as possible in their college careers, as the APP is most beneficial to students who enroll before completing their first year at the community college.
Research conducted by UNI Career Services has found that students who have the 3+2+2 ratio across the areas of academics (3.0 GPA), professional experiences (2 internships) and leadership (2 leadership roles) have acquired the skills needed to be career ready.

CAREER SERVICES
UNI offers valuable career and internship resources to prepare you for life after college. Employers know that students from UNI are hard workers that have excelled in rigorous classes and have had professional experiences. That’s why employers are motivated to come to campus for our four career fairs and interview students on the spot. Career Services prepares students for these experiences by:

- Helping them craft a first-rate resume and cover letter
- Finding the perfect internship
- Guiding them on their professional journey

With outstanding academic and professional resources, you can truly thrive at UNI.

What would college life be without experiences beyond the classroom? At UNI, academics are important, but we also offer the opportunity to get involved on campus and engage with other students through a variety of programs and activities. With more than 260 student organizations, you’re sure to find something that interests you.
LEARNING SPACES

At UNI, we offer learning spaces that will prepare you for today’s marketplace. Our facilities include:

- Speech and hearing clinic
- 145-acre biology preserve
- Music recording studio
- Child development center
- Weather simulation lab
- Virtual paint lab
- Synthetic cadavers
- Business incubator
- Audio and video production labs
- Two greenhouses
- Two observatories
- Two public radio stations
- Multiple performance spaces
- Award-winning health, physical education and leisure services facilities
- 3-D printer
What you do outside of class is just as important as what you learn in class. When it’s time to let loose, you’ll have plenty of options — whether it’s playing in front of 16,000 Panther fans at the UNI-Dome, traveling internationally as an ensemble to perform in grand venues or cheering from the stands wearing purple and gold, UNI is the right fit for athletics and the arts.

**SIX GREAT VENUES. ONE BIG FANBASE.**

- Gallagher Bluedorn Performing Arts Center (GBPAC)
- Strayer-Wood Theatre
- McLeod Center
- UNI-Dome
- Maucker Union
- Russell Hall

Our 17 sports teams – part of NCAA Division I Athletics – are consistently honored for their GPAs, victories, post-season tournaments and national rankings.

UNI students get in FREE to all regular season events. Visit unipanthers.com to learn more.
The arts are seen and heard in big ways at UNI:

- Broadway to comedy to concerts by internationally known performers Jason Aldean, Luke Bryan, Boys Like Girls, Ok Go, Rick Springfield, Florida Georgia Line and Pentatonix
- Student-produced theatre shows such as “Into the Woods,” “12th Night” and “Rent”
- Numerous student musical groups such as the Panther Marching Band, Glee Club, jazz bands and choral and ensemble groups

**UNI students receive two FREE tickets to any Gallagher Bluedorn show each semester. Visit gbpac.com to learn more.**
DISCOVER THE WORLD!

There are endless opportunities to explore the world at UNI. The Study Abroad Center offers students the opportunity to study in more than 30 countries across the globe.

Interested in exploring, just not overseas? The National Student Exchange program offers that! Pay UNI tuition while studying in the U.S. at one of the 165+ colleges and universities that participate in the program.
“My professors relate all their work to the real world and continually explain why the material we’re discussing and learning about is important in life. They also provide a great understanding about the variety of careers and opportunities we can find after graduation.”

Devin | Marketing Major, Transfer Student | Fairfax, Iowa
UNI’s easy-to-navigate campus creates a tight-knit, community feel. It’s about making new friends in student government, jumping in on an intramural game, enjoying dinner with your roommates or just relaxing with friends in one of our coffee shops. At UNI, every campus experience reaffirms you’ve chosen the right university.

Choosing to live on campus affords students the full college experience. With seven traditional residence halls, two halls that offer apartment-style set-up and a new suite-style residence hall, students will find the accommodations and lifestyle they’re looking for as they transition through college—all while placing them in the center of university life.

Our residence halls give students easy access to the events and activities happening around campus, surround them with friends, offer learning beyond the classroom and of course make the walk to class that much shorter. Plus, they’re never far from getting something great to eat at one of our award-winning dining centers. Traditional double rooms include furniture, utilities, cable, Internet and laundry.
TRADITIONAL RESIDENCE HALLS

- All traditional residence halls include an All-Access Meal Plan
- Transfer students have several upperclass on campus living options
- All offer opportunities for nearby parking

ADMISSION REQUIREMENTS

Each year, UNI works with more than 1,000 transfer students who are making their transition from a community college or four-year institution. Our transfer admissions counselors and advisers will guide you through the process so you’ll get started on the right path.

TRANSFER ADMISSION REQUIREMENTS

Students transferring to UNI from another college or university need to meet or exceed the following combination of grade point and total graded semester hours to be admissible:

<table>
<thead>
<tr>
<th>Semester credit hours transferred</th>
<th>Grade point needed</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-23</td>
<td>2.50*</td>
</tr>
<tr>

</tr>
<tr>
<td>42-59</td>
<td>2.25</td>
</tr>
<tr>
<td>60 or more</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*Applicants transferring fewer than 24 semester hours also need to meet admission requirements for students entering UNI directly from high school. Refer to admissions.uni.edu/freshmen to view the requirements.

Students who have completed Level II of a foreign language (with a C- or better in the final semester) will have satisfied UNI’s foreign language requirement for graduation. This can be completed in high school or at a previous institution.

Transfer applicants will generally not be admitted if they do not meet the minimum combination of the GPA and total semester hours outlined above or if they are on academic suspension at the last college attended. Transfer applicants under disciplinary suspension will not be considered for admission until information concerning the reason for the suspension has been received from the assigning college.

COLLEGE OF BUSINESS ADMINISTRATION ADMISSION REQUIREMENTS

Students seeking a major in Accounting, Business Teaching, Economics/Business Analysis, Finance, Real Estate, Management, Management Information Systems or Marketing must be admitted to the College of Business Administration and meet course prerequisites before taking upper division College of Business Administration courses.

Students are eligible for admission to the CBA upon completion of the following requirements:

1. 30 cumulative semester hours of college credit.
2. C- or better in the following CBA Foundation Courses:
   - ECON 1011 Statistics for Business Analytics, or
   - ECON 1021 Decision Analytics, and
   - ECON 1041 Principles of Macroeconomics
3. C- or better in an approved English composition course which would include the equivalent of one of the following:
   - ENGLISH 1005 College Writing and Research
   - ENGLISH 2015 Expository Writing
   - ENGLISH 2120 Critical Writing About Literature, or CLEP credit in ENGLISH 1005, English Composition with Essay

(PLEASE NOTE: ENGLISH 1002, College Writing Basics DOES NOT satisfy the writing requirement for admission to the College of Business Administration.)

4. The first math course required of all business majors is STAT 1772, which requires a 50% or higher on the ALEKS assessment test. STAT 1772 is a prerequisite to ECON 1011 Business Statistics and ECON 1021 Intro to Decision Techniques—two courses required for all business majors. If you are transferring STAT 1772 to UNI, you are eligible to take ECON 1011 or ECON 1021 providing your ALEKS score is 55% or higher.

5. Total or UNI* cumulative GPA of at least 2.50 on all university level courses.

6. Declaration of Curriculum form completed at orientation and filed with the College of Business Administration Student Advising Office (CBB 5).

*UNI cumulative GPA must be based on 12 or more credit hours.
TEACHER EDUCATION ADMISSION REQUIREMENTS

Students are eligible for the Teacher Education Program after completing the following requirements:

• Declaring a teaching major via the Declaration of Curriculum Form (at orientation).

• Attend an Orientation to the Teacher Education program—Available online at teachered.uni.edu/orientation-teacher-education

• Complete the application for admission to Teacher Education. You can find it online at teachered.uni.edu/admission-uni-teacher-education-program.

• 24 semester hours of credit with a 2.50 GPA.

• C- or better in ENGLISH 1005 (College Writing and Research or equivalent course(s)), COMM 1000 (Oral Communication or equivalent course(s)) and Liberal Arts Core Category 1: C (Quantitative Techniques and Understanding).

• The Praxis Core Academic Skills for Educators (Praxis Core) consists of three subtests, each with a cut-off score based on a scale of 100-200 (ets.org/praxis).
  • Reading: test #5712 cut-off score – 138
  • Writing: test #5722 cut-off score – 142
  • Mathematics: test #5732 cut-off score – 115
  • Total score requirement: 448 (or higher)

• Earned credit for TEACHING 2017

Visit teachered.uni.edu for more information.

Apply TO UNI

In addition to applying at admissions.uni.edu/apply, students can apply using The Common Application.

1 Complete application at admissions.uni.edu/apply.

2 Request all transcripts be sent to UNI.

3 Submit your $40 application fee. (UNI does accept the NACAC Application Fee Waiver for eligible students)
As one of the most affordable four-year universities in Iowa, a UNI education is an investment in yourself that pays off for years to come. UNI continues to provide an outstanding education and the resources needed to make it happen.

TEACH GRANT

The program is designed for students planning to teach in a high-need field in a low-income school, and provides up to $4,000 per year for four years as an undergraduate student and two years as a graduate student. At the national level, UNI is currently the No. 8 public university in administering the TEACH Grant.

TUITION GUARANTEE PROGRAM FOR MULTICULTURAL COMMUNITY COLLEGE IOWANS

This program provides a two-year commitment of full tuition and fees provided through a combination of federal, state, and institutional grants and scholarships. The applicant must be an Iowa resident, must be Pell Grant eligible as determined by the FAFSA throughout two years for continued eligibility, must have 30 transferable hours from an Iowa Community College, and requires ethnic or racial status of African American/Black, Hispanic/Latino/Spanish, Alaskan Native or American Indian, Asian, Native Hawaiian or other Pacific Islander.
“Coming to UNI for college was easily one of the best decisions I’ve made! It’s the perfect size, the school’s culture and atmosphere are really positive and friendly, and you have so many opportunities to explore and grow!”

UNI IS LOCATED IN CEDAR FALLS, IOWA; POPULATION OF APPROX. 39,000
“I love the new home I found for myself on the UNI campus. The first time moving away from home can be a challenge, but right away I was able to connect with students, faculty and staff. The transition was easier knowing I had people on campus who cared about me and my future success.”

Angel | ELEMENTARY EDUCATION MAJOR, TRANSFER STUDENT | GALESBURG, ILLINOIS
