Repayment Suggestions

/ If you borrowed $15,000 or less and have a job right out of college:
  ○ Standard Plan may be the best option

/ If you borrowed more than $15,000 and your income is low:
  ○ Graduated or Income-Driven plan may be the best option
  ○ NOTE: You will end up paying more in interest!

/ You can switch repayment plans!

It’s ok to pay more than the minimum amount due!
Delinquency & Default
Delinquency Vs. Default

**Delinquency:**
Your monthly payment is not received by the due date

**Default:**
When you become 270 days delinquent in making payments

Not getting a bill does NOT mean you don’t have to pay!
Consequences of Default

- Entire unpaid amount becomes due and payable
- Account sent to collection agency
- Reported to credit bureaus - negatively impacts credit
- May be sued and forced to make payments, including collection fees and costs
- All or part of tax refund may be withheld
- Wages may be garnished
  - Employer required to send payments to Direct Loans as part of your salary
- Lose eligibility for federal student aid and loan deferment
Deferment

/ Temporary postponement of payment on a loan

/ Interest generally does NOT accrue on Direct Subsidized Loans. All other federal student loans that are deferred will continue to accrue interest.

/ Perkins Loans are with a different servicer - reach out to both when requesting deferment

Contact Loan Servicer(s) for questions and assistance!
Forbearance

/ Monthly loan payments are temporarily suspended or reduced

/ Interest continues to accrue on ALL loans

/ Unpaid interest will be added (capitalized) to the principal balance of your loan(s)

Contact Loan Servicer(s) for questions and assistance!
Loan Consolidation
Federal Loan Consolidation

- Allows you to consolidate multiple federal loans into one loan
- For more information, visit studentaid.gov
  - Complete application and select repayment plan

You should NEVER pay to consolidate! It’s FREE!
Potential Benefits of Loan Consolidation

/ Interest Rate: Fixed, weighted average (no cap)
/ One bill per month (most have this anyway)
/ May have lower monthly payment due to increased time to repay (up to 30 years)
Disadvantages of Loan Consolidation

/ Possibly pay more in interest

/ Lose borrower benefits (interest rate discounts, some loan cancellation benefits)

/ Any outstanding interest becomes part of the principle balance
Loan Forgiveness
