PARENT UNTAXED IRA PENSION

The untaxed portion of an IRA, pension or annuity must be included as untaxed income on your financial aid application unless it was a rollover to another retirement plan. A "rollover" is a tax-free distribution of cash or other assets switched from one retirement plan to another. Your parent(s) federal tax return does not specify if the amount was a rollover; therefore refer to your parent's 2020 Federal Tax Return and enter the amounts from the appropriate lines below. Specify whether each was a rollover, a distribution paid to your parent(s) (not a rollover), a rollover to a ROTH IRA or a life insurance policy. If you are unsure, please contact your tax preparer.

Rollover or Distribution - If there is a dollar amount on your 2020 Federal tax return for IRA Distributions and Pensions and Annuities (1040 lines 4a + 5a) minus (1040 lines 4b + 5b). Please indicate whether these funds were the result of a rollover, distribution or Life insurance policy. A "rollover" is a tax-free distribution of cash or other assets moved from one retirement plan to another. If you are unsure if it was a rollover, please contact your tax preparer:
