

Southwestern Community College Nursing (BSN)

For students planning to transfer to UNI and major in Nursing (BSN), the following plan of study is generally recommended:

1. Because of the sequential nature of courses in the UNI Nursing program, students are generally advised to transfer after one year at the community college. If a student does complete an Associate of Arts (A.A.) or Associate of Science (A.S.) degree, it will still take them three years to complete at UNI.
2. Complete ALL of the following pre-requisite nursing courses at SWiCC prior to transfer:

UNI COURSE	UNI NAME	SWiCC COURSE	SWiCC NAME
BIOL 1101	Principles of Anatomy & Physiology I	BIO 168	Human Anatomy & Physiology I
BIOL 1102	Principles of Anatomy & Physiology II	BIO 173	Human Anatomy & Physiology II
CHEM 1010	Principles of Chemistry	CHM 122	Intro to General Chemistry
PH 2160	Medical Terminology	HSC 113 or 114	Medical Terminology
STAT 1772	Intro to Statistical Methods	MAT 156	Statistics
PSYCH 2202 OR FAM SERV 1055	Developmental Psychology OR Human Growth & Development	PSY 121 OR N/A	Developmental Psychology OR N/A
BIOL 1033	Principles of Microbiology	BIO 186	Microbiology
PH 1410	Basic Nutrition	BIO 151	Nutrition

ADMISSION REQUIREMENTS FOR NURSING

1. Information about applying to the UNI Nursing program (and application deadlines) can be found at: nursing.uni.edu
2. While there is no cumulative GPA requirement for admission into the program, students must have a 3.0 cumulative GPA in the pre-requisite courses (listed above) for admission to the nursing cohort. Some exceptions can be made.
