Undecided/Deciding students are strongly encouraged to join the UNI Transfer Connection program <https://admissions.uni.edu/transfer-connection>, which will connect them with an adviser in the Office of Academic Advising, who can assist them in the process of selecting a major.

If/when a student DOES decide on a specific major, they are encouraged to then refer to the Plan of Study (<https://admissions.uni.edu/admissions-process/transfer-students/transfer-plans>) for that specific major to see recommended courses.
